

ELVIS ONLY

Radio's Weekly All-Elvis Hour!

Pat:

While snowed in here this weekend, during the “Blizzard of ’06,” I was catching up various Elvis Only matters.

Looking back on 2005, Elvis Only was presented with a tremendous challenge, as Oldies stations were among the many hijacked by Jack, Mike, Bob, etc.

Despite the turbulence, we had our best year ever, with new clearances in Los Angeles, Dallas, Baltimore and Phoenix. And, we kept our longtime friends happy in markets like Boston, Houston, Denver and elsewhere.

Thanks for the tenacity and the enthusiasm and for, as The King would say, “Taking Care of Business!”
